

# Stonerose's 20<sup>th</sup> Anniversary Activities

Saturday April 19<sup>th</sup> the following Scientific Talks will be held at the Ferry County Fair Grounds at the Pavilion. Stonerose would like to invite the public to attend this event.

Also from 9:00 -3:00 on both Friday April 18<sup>th</sup> and 19<sup>th</sup>, Stonerose will be open for guided tours of the collections room and a half hour of collecting at the Boot Hill Fossil Site.

Friday night a dinner will be held to honor the significance amateur collectors' play in the scientific research of Republic fossils. Stonerose will also recognize the researchers who study Stonerose fossils.

Please use registration form to sign up for a Stonerose tour and register for Friday and Saturday night dinners. If you have any question call (509) 775-2295 or email us at [srfossils@rcabletv.com](mailto:srfossils@rcabletv.com).
